EXPERIENCE

- ❖ **Web Development Intern | Prodigy InfoTech, Remote** (Mar '25 – Apr '25)
Worked as a Web Development Intern at Prodigy InfoTech, developing responsive web pages using HTML5, CSS3, and JavaScript. Improved UI/UX skills and ensured cross-device compatibility through real-world project collaboration.
- ❖ **Web Development Intern | Cognifyz Technologies, Remote** (Mar '25 – Apr '25)
Worked as a Web Development Intern at Cognifyz Technologies, building responsive web pages using HTML, CSS, and JavaScript. Gained hands-on experience in UI/UX and front-end development.

SKILLS

- ❖ **Programming:** Java, JavaScript | HTML, CSS, Tailwind CSS, Bootstrap | MongoDB, SQL
- ❖ **Frameworks & Tools:** Node.js, Express.js, React.js | RESTful APIs | Git, GitHub

EDUCATION

- ❖ Computer Science and Engineering - B.Tech | CUTM, Bhubaneswar | CGPA: 9 (Present) (2023-27)
- ❖ Newtonian Institute of Science and Technology, Balasore | 86.33% - 12th (2021-23)

PROJECTS

- ❖ **Airbnb Clone** (Dec '24 – Jan '25)
A full-stack hotel booking web application inspired by Airbnb, built using JavaScript, CSS, Bootstrap, Node.js, Express.js, and MongoDB. [Code](#) | [Live](#)
- ❖ **Weather App** (Jan '25 – Feb '25)
A React-based web app that displays real-time weather updates, including temperature, humidity, wind speed, and forecasts, using an external weather API. Built with HTML, CSS, JavaScript, and React.js. [Code](#) | [Live](#)
- ❖ **Spotify UI** (Oct '24 – Nov '24)
A frontend clone inspired by the Spotify website, showcasing UI design and responsiveness with HTML, CSS, and JavaScript. Redirects users to the original site for comparison. [Code](#) | [Live](#)

ACHIEVEMENTS

- ❖ **NPTEL Certification – Python for Data Science** (Jan–Feb 2025)
Completed a 4-week course from NPTEL on Python for Data Science, scoring 73% overall. Developed strong foundational skills in data handling and programming using Python. [Certificate](#)
- ❖ **Deloitte Virtual Internship – Data Analytics** (Jul '25)
Successfully completed the Deloitte Virtual Data Analytics Internship gaining insights into data interpretation, client reporting, and business problem-solving in a real-world context. [Certificate](#)
